

A Guide to Our A-level Subject Presentations

Welcome to our Open Evening. We realise that you have a limited amount of time to get as much information as possible, so to help you plan your visit we have prepared this guide for your use.

There will be subject information presentations running throughout the evening, led by our experienced Heads of Department, as well as the opportunity to hear from Jacqui Cornell (Headteacher) and Emma Bell (Head of Sixth Form) about our ethos and vision.

There will be lots of current sixth form students around the school who will be happy to answer your questions and give you an insight into what it's really like to study here, helping you to make a fully informed choice.

During subject presentations doors will be 'closed'; presentations will last approximately 5 minutes and will be run every 15 minutes in departments, when presentations are not scheduled please feel free to pop in and Q&A rooms will be open throughout the evening. Year 13 students will be supporting departments, so do ask them how their chosen A-levels are helping them with their next steps to university, apprenticeships and beyond.

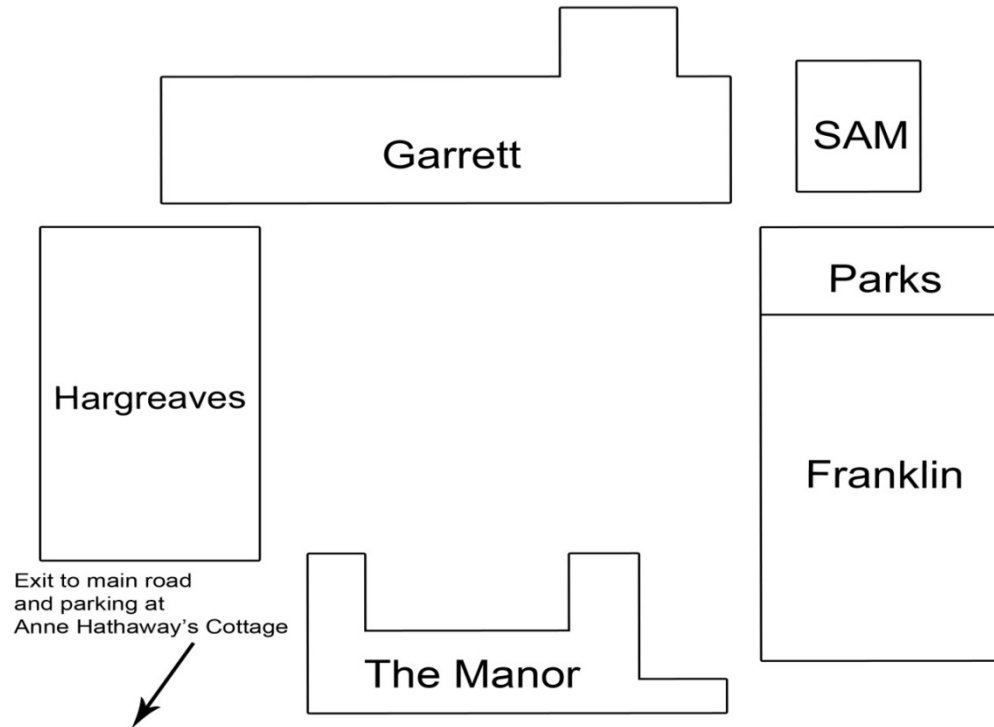

STOP PRESS

The hub of the sixth form has been temporarily relocated whilst we take action to preserve our wonderful 15th Century Manor House for the generations of SGGs students to come! A display of our plans and details of the students' involvement is located in the foyer of the Hargreaves building – please take a moment to pay it a visit to see what we are doing for the building which will once again become the heart of the Sixth Form from 2019 onward.
