

Dear Parents/Carers

Free 11+ preparation and KS2 learning support

We're pleased to let you know that Stratford Girls' Grammar School has partnered with [Atom Learning](#), the leading 11+ preparation and Key Stage 2 learning website, to provide free KS2 learning and 11+ support to primary school children (both boys and girls) in the area who are eligible for Pupil Premium.

Eligible students will receive access to Atom Home for free (normally £575.90 a year).

What is Atom Home?

Atom Home is an online learning and exam preparation platform for ages 7-11, designed to build children's confidence with Key Stage 2 learning objectives and familiarise them with the style of questions they may see in the 11+. Covering English, maths, verbal reasoning and non-verbal reasoning, children can practise 11+ questions and explore learning resources, mock tests, video tutorials, and exam preparation materials.

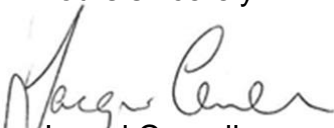

How can you get access?

For pupil premium: If your child is preparing for the 11+ or is in need of extra Key Stage 2 learning support, please fill in the form on this page: <https://atomlearning.com/pupil-premium/stratford-girls>

After completing the form on this page, your child's primary school office will receive a notification to verify your child's pupil premium eligibility. If you aren't sure whether your child is eligible for pupil premium, please speak to the school office.

For non-pupil premium: There is a five-day free trial of Atom available. If you would like to find out more, please email pupilpremium@atomlearning.com.

Yours sincerely

Jacqui Cornell
Headteacher
