

Welcome to Shottery Sixth Form from your Head Girl Team

Hello! As the newly elected Head Girl Team, we would like to introduce you to Shottery Sixth Form and tell you a little more about it.

You may be under the impression that you already know everything you need to about Shottery Sixth Form but there is so much more...

Where will you find all of this valuable information, we hear you ask?

Induction Day on 29th June is a great opportunity to learn about all of the Shottery brilliance, (as well as some of the quirks), giving you a thorough understanding of the structure of sixth form as well as a feeling for the atmosphere in the Sixth Form Manor and in lessons.

Shottery has loads to offer: from academic success to extra-curricular activities and a wide variety of leadership roles. Every week, not only do you get to study your A-level subjects, EPQ and Stretch and Challenge course, you get time to do work experience or volunteering and you get to do a Curriculum Enrichment activity of your choice – yes, you are given time to basically chill out!

In terms of leadership roles, there's everything from Committee Leaders to House Captains to Ch@ mentors to the Head Girl Team and we strongly encourage you to apply for one of these. Throughout Year 12, there will be trips running to support your chosen subjects, plenty of thought-provoking speakers and the opportunity to not only attend clubs, but also to create and lead your own.

Shottery Sixth Form has loads going on - so make the most of it!

We understand that joining a new school, or generally making the transition into sixth form, can be daunting. We know, we have been in your situation – but we can promise you that there is no better place than Shottery to study your chosen A-levels. There is such a supportive and enthusiastic atmosphere here that we have no doubt that you'll soon settle in and love the Shottery experience.

We have met so many new friends through the sixth form, and had some amazing experiences. We would love you to have the same positive experience, and become a part of our fabulous Shottery Sixth Form.

We hope your GCSEs go really well and that we will see you on 29th June!

With our very best wishes,

Himani (*left*), Ellie (*centre*) and Issy (*right*)
